

Automated terminal transport provider

for shunting & linkage operations
in all verticals of the supply chain

ex9

Hundreds of cargo **movements** / day

dock **congestion** with increasing **volumes**

handling drivers' **shortage**

using **Diesel** yard tractors

>1.000.000 logistics & manufacturing sites worldwide facing ...

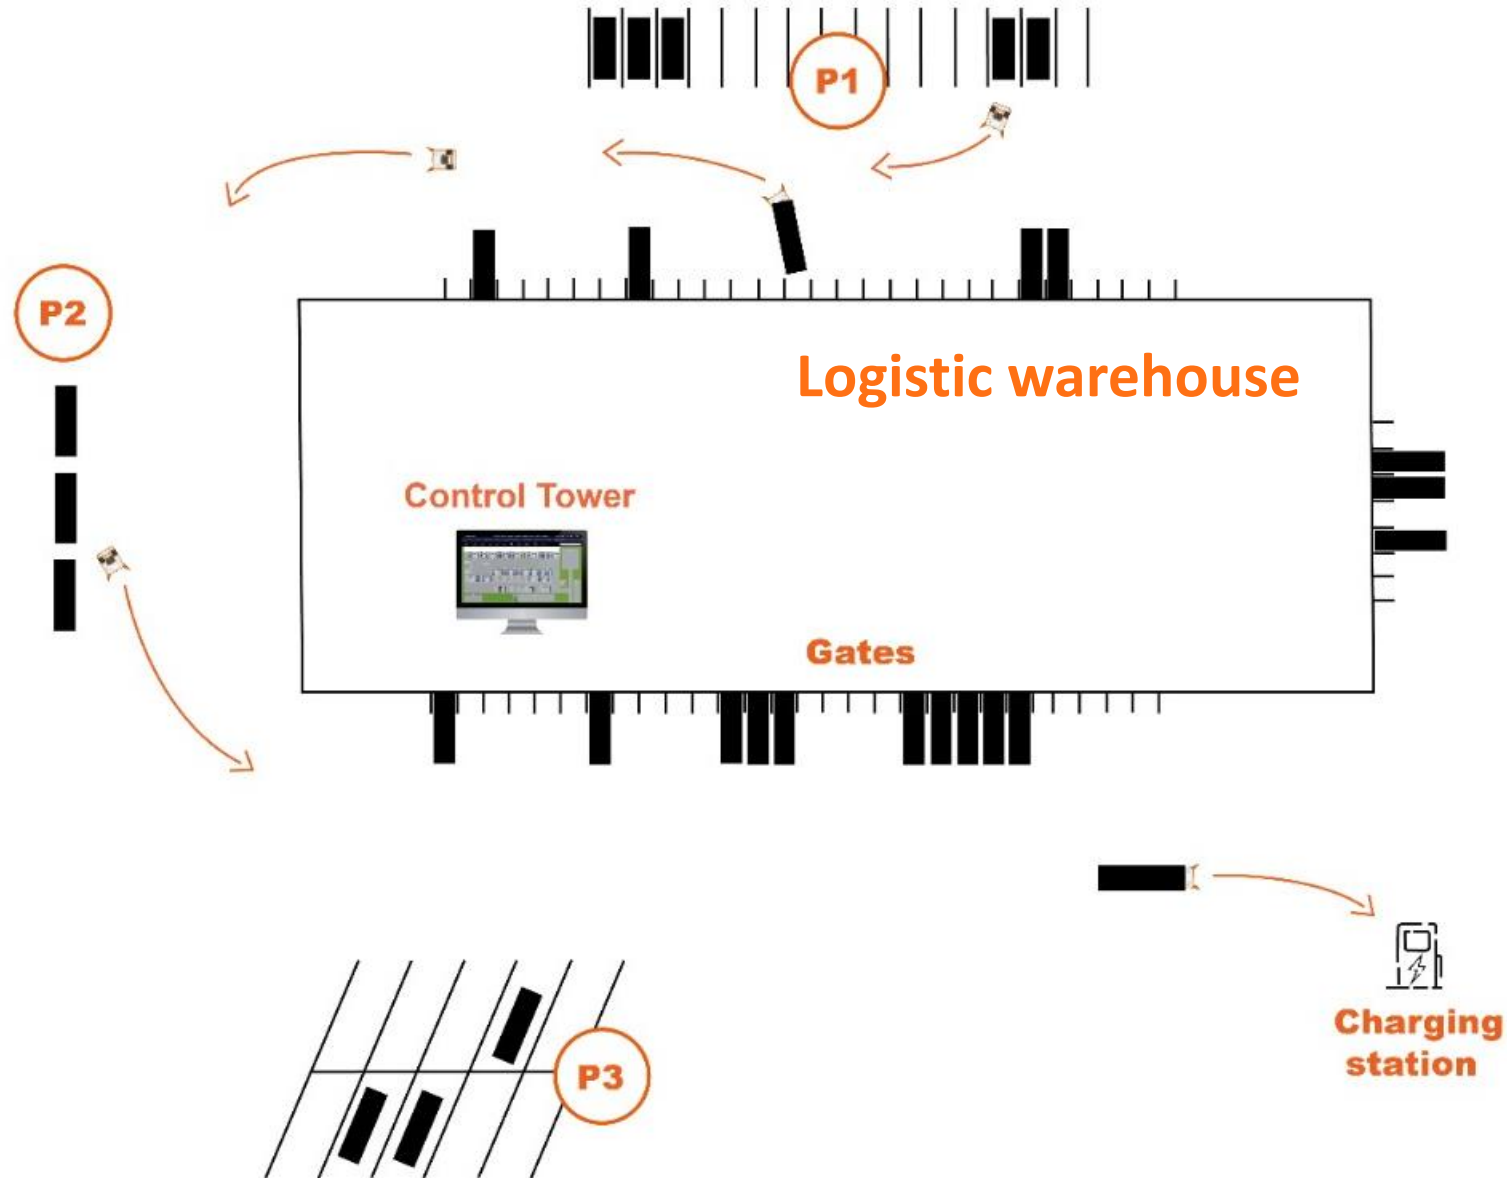

Our solution : terminal **transport** automation

EX9 develops and provides to logistics operators **intelligent autonomous transport solutions** in partnership with yard vehicles' OEMs

> Our automated transport service

10 diesel manual tractors

22/5 with 3 shifts

180k€/m

10 electric automated tractors

22/5

100k€/m

TaaS savings → 1.5M€/y
Reduction -50t CO2

Example of a
distribution platform
